BPT Asset Management appoints new member to the Board

BPT Asset Management A/S (Copenhagen, Denmark) has appointed Mr. Jaroslaw Dabrowski as new member to the Board of Directors. Mr. Dabrowski is an experienced international financial executive, the former President and CEO of Bank DnB NORD Polska SA and Vice President of Raiffeisen Bank Polska SA. For the last 15 years he has held executive positions in numerous financial and banking international firms in Poland being responsible for strategic management of institutions, corporate finance and investment banking.

“We are very happy to have Mr. Jaroslaw Dabrowski joining the Board of BPT Asset Management. His expertise and experience in the industry will be of great value to BPT in our future ventures, not least in the Polish market,” says member of the Board of Directors and founder of BPT, Lars Ohnemus.

Mr. Jaroslaw Dabrowski replaces Mr. Finn Moefelt, who is retiring.
